The President noted that the Vice Presidents Advancement and International and Student Affairs met recently with officials from the Government of New Brunswick to discuss funding initiatives in experiential learning.

The Chair informed Senate that the subcommittee of the Honorary Degrees Committee has met to start its review of criteria and processes for awarding honorary degrees.

Finally, the President thanked senators who attended the presentations by the candidates for the position of Dean of Social Sciences and Business and invited them to attend the presentation of the final candidate, held on January 10.

06.01.09 Report from University Planning Committee

P. Brown and A. Fancy asked for the rationale behind keeping the Fall Break in November considering December's straw poll showing a majority of senators in favour of an October break. V. St. Pierre answered that the committee interpreted the closeness of the vote, combined with the arguments given for both October and November breaks at the December meeting of Senate, as not providing overwhelming support for moving the Fall Break. In the absence of a strong motive for change, the committee opted to recommend the status quo.

R. MacKinnon noted that the proposed Calendar of Events deletes the Day of Learning. He suggested that the university monitor the effects of this deletion on Orientation activities.

09.01.09 Election to the Committee on Committees

**Motion (C. Brett /S. Runge) that Senate acclaim William Lundell to serve on the Committee on Committees for a term commencing immediately and ending June 30, 2026, or until a sabbatical or other leave.**
